

## **2320. Smoking Policy & Procedure**

### **2320.1 Statement**

Wyke Community and Children's Centre is a no smoking designated area. This Policy has been developed to protect employees, children, visitors and other service users from exposure to second hand smoke. Exposure to second hand smoke increases the risk of lung cancer, heart disease and other illnesses.

### **2320.2 Implementation & Procedure**

Employees, visitors and service users are not permitted to smoke on the premises or related grounds.

### **2320.3 Roles and Responsibilities**

All employees, visitors and service users are responsible for adhering to this policy. We will offer help and support to those people wishing to stop smoking.
